

## **Campaign statement from Travis Hoover, candidate**

I believe Cobourg to be a vibrant, growing community with opportunities for young people and families to grow and prosper, for retired folks to kick back and relax, for tourists to come and enjoy the regular events and attractions and the incredible beauty and historical charm of the area and for businesses and industry to set up and thrive.

I want to bring the skills I have learned in my professional life to the role of Cobourg Councillor. I think the Council needs some new voices and new perspectives to the issues we face as a community and I want to be a part of that critical process as we move forward.
